Prevent Consumer Shoplifting by Raising Awareness

- **Retailers** - Display posters in fitting rooms & restrooms to raise consumer awareness, demonstrate your commitment to protecting your honest consumers and deter would-be shoplifters from acting on impulse.
- **Criminal & Juvenile Justice** - Display awareness posters in your offices to send a clear message about the harmful effects of shoplifting to offenders, parents, family members & justice partners.
- **Schools, Community Youth Organizations & Crime Prevention Agencies** – Display posters to help children and teens understand the harmful effects of shoplifting as it relates to them, the victim and the community... before they get into trouble.
